

Those Who've Gone Away
Words & Music: John Leonard Selzler

Vs: G Em / C G CH: D C G D G

VS1:

When I think about all that you gave
When I think about you
Every loving gesture that you made
It's not easy without you

How can I repay?
How could I forget?
All the sacrifice you made
I don't believe I've thanked you yet

CH:

Let's hear it for the ones
Who we so dearly miss
That sweet and gentle kiss
From those who've gone away

VS2:

Mom and Dad they left way too soon
But I can feel them here today
And the warriors keep passing through
I'm sure their families wanted them to stay

How can we repay?
Oh, How can we forget?
All the sacrifice they made
And I feel I haven't thanked them yet

CH:

Let's hear it for the ones
Who we so dearly miss
That sweet and gentle kiss
From those who've gone away

Instrumental: Em G Em G / C

VS3: (C G)

When I think about, all that they gave
When I think about, their loving way
Every sacrifice they made
For us and today

CH: X2

Let's hear it for the ones
Who we so dearly miss
That sweet and gentle kiss
From those who've gone away
